Presidents Report – April 2023

I wanted to start off tonight by thanking everyone for working so well together so far this year and helping the P&C deliver so much already. Hard to believe it is only our 3rd meeting this year.

- Class parent list established
- Sold out second-hand uniform sale & all the donations for another next term
- Meet & Greet

Additionally, we have a significant pipeline of work including the Extracurricular survey, additional playground equipment, additional storage, working bee, Mother's Day breakfast and school centenary celebration.

Another great meet and greet and thank you to all the parents and teachers that attended. What a great turnout and great evening. Thanks, Kristle for helping organise another great P&C event.

Eastern Suburbs High Schools Community Consultation survey runs until 12th May. Great public education benefits everyone, so if you only complete one survey this year this is the one to complete. Please take the 5 minutes to complete the survey and help shape what an inclusive public high school education looks like in our area. The P&C presidents of the other 8 Randwick Girls' and Randwick Boys' feeder primary schools have been invited to attend a workshop on 10th May with SEC Newgate who are running the community consultation for the NSW Department of Education.
