Rainbow Street Public School P&C Association
President's Report – November 2020

Firstly I'd like to welcome everybody back, especially any new members.

I'd also like to continue to thank the school & staff, for helping us all navigate our way through the challenges presented by COVID.

As a reminder, the P&C's role is to support the school and enable the best environment within which to educate our children, to the best of their ability.

We had a special meeting last week, to appoint a parent representative onto the Merit Panel for a new teacher.

AGM next month:

- Not sure if we will be able to hold in person, on via Zoom
- All positions will be declared vacant & then subject to election
- It has been a particularly tough year for the Committee, having endured all of the early administrative pain & then have most of our events cancelled due to COVID. This has already taken its toll, with 4 committee members having already resigned & a number of committee members unlikely to continue to the same capacity. So I feel that it is important to notify members that they will need to consider who is willing to be involved for 2021.
- Audit to be completed
- Membership renewals will happen in the P&C meeting directly following the AGM.

What can we as the P&C actually do given COVID restrictions:

- Limited since parents cannot even go into school grounds
- Thank school & staff by providing access to a coffee cart
  (done last Friday, which coincided with World Teacher Day)
- Survey for contributions to the school, including STEM etc
  (this survey will go out next week)

Feedback is always welcome, feel free to email us
