## **Presidents Report – March 2023**

Welcome to our second meeting of the year and its great to see some new and returning faces.

We do have several vacant positions still to fill, a Vice Presidents Positions and an additional 6 executive roles. If you are interested in helping deliver great initiatives, outcomes and events for the students and our school community maybe consider one of these roles.

Class parent lists have been successfully established using the electronic survey which worked so successfully last year. A big thank you to the wonderful parents that volunteered to be a class parent this year and a big thank you to Kristle and Brad for coordinating

Meet and greet is this Thursday at the Coogee Beach club and is a great opportunity to connect with offer parents and our wonderful teachers.

I am looking forward to us discussing tonight the opportunities before us as a P&C to help deliver things that have a positive impact on the student at this school. Because really, I would think that is largely what we are all here for.
