## Presidents Report – Nov 2023

Welcome back I would like to acknowledge the amazing work by teachers, the school, and parents at our school.

There has certainly been a lot happening, announced, delivered, and coming to an end since we last meet. Some of them quick wins and others related to things we have been chipping away at for some time to deliver to our wonderful school community.

- Second hand Uniform Sale, thanks again Annie
- School centenary – We can't thank you enough for attending the inaugural Rainbow Reels Night last Friday. The event was an incredible success with over 1,000 attendees from our wonderful school community. What a great example of our school community coming together to support our wonderful school. Thank you to all our wonderful volunteers, school staff and sponsors and of course our wonderful students and teachers for providing the entertainment

Thankyou JazzRight Productions, Rocketboy Pizza, Sushi Junction Maroubra, Nick Bowers – photography, Dreamrstudios, TASK, The Dimaris family for the lovely gelato and awesome gelato cart. And to all of the fantastic volunteers who made the night a huge success.

- Randwick Boys and Randwick Girls High School Merger and \$42M in confirmed funding for facilities upgrades. This is a great outcome for our community and something your P&C has been lobbying for as members of CloseEast and the Eastern Suburbs P&C Alliance. Thankyou everyone that shared their voice and completed the Dept of Educations community survey earlier this year
- The Eastern Suburbs P&C meeting on 16<sup>th</sup> Oct with Marjorie O'Neill and we will continue to ensure our community are engaged on the fantastic of Randwick High School
- Teacher & Staff Thankyou Breakfast. Thankyou Hana, Annie and Mandy for organising a much appreciate and deserved thankyou breakfast for our wonderful teachers and staff
- Extension of Rainbow Street Kiss and Drop. Its happening!!! Something the P&C has been chipping away at for the past couple of years.
- Randwick City Council Community Connect grant \$10K or partial of \$8K for P&C storage
- Community Building Partnership 2023 grant submitted for \$150K and partial of \$100K for playground

Next month is our AGM which we are hoping to hold in person at the school. All positions will be declared vacant & then subject to election. We are looking to file several roles with parents moving on next year so if you know anyone, please reach out so we may continue to deliver great things for our school and student community.
