   It has been a busy month since our last meeting with a lot happening at school and a lot being delivered for our students and school community. Quick recap since our last meeting.

   - Mother's Day Breakfast

     Thank you everyone that attended and everyone that volunteered to make our annual Mother's Day breakfast possible. A fantastic morning with so many mums, grandmas, Nanas, aunties, and students attending. Such a great mix of volunteers also with our regulars and a lot first timers. A big call out to all the teachers that also lent a hand. Thank you to Misha from the canteen for suppling the muffins and Matt for the lovely, donated pastries.

   - School Mural

     What a wonderful thing to see the school mural come to life this week with students participating in mural painting workshops with Mulga, the artist chosen by the students. The school mural was an idea our wonderful students raised back in 2020, so it was great to see their idea and the mural they helped design being realised.

   This was a fantastic example of the school community working together, providing great opportunities for our students, and demonstrating how ideas can be achieved through teamwork and collaboration. Big thankyou to all the school staff that made this possible and Randwick Council who we were successful in gaining a grant to fund the bulk of this project. Traffic
