Presidents Report – May 2023

Presidents Report – May 2023

Welcome back and I hope everyone is looking forward to another productive and exciting term at Rainbow Street. Expect to see more of what was delivered last term, more events, more opportunities for students, more great outcomes for our school community.

Thankyou everyone that helped with the Easter Egg hunt at the end of last term. A big thanks to Kristle for organising.

Whilst we had a busy start to the year, we have a lot to look forward to this term which will be discussing tonight including:

- Working Bee this Sunday morning
- Mother's Day Breakfast planned for this Friday 12 May
- Additional storage developments
- School playground equipment developments
- Extracurricular activity survey

[Eastern Suburbs High Schools Community Consultation](#) survey runs until 12th May. Great public education benefits everyone, so if you only complete one [survey](#) this year this is the one to complete. Please take the 5 minutes to complete the survey and help shape what an inclusive public high school education looks like in our area. The P&C presidents of the other 8 Randwick Girls' and Randwick Boys' feeder primary schools have been invited to attend a workshop on 10th May with SEC Newgate who are running the community consultation for the NSW Department of Education.
