7.10pm Meeting Close

Presidents Report – June2023

Presidents Report – June 2023

It has been a busy month since our last meeting with a lot happening at school and a lot being delivered for our students and school community. Quick recap since our last meeting.

· Mother's Day Breakfast

Thank you everyone that attended our annual Mother's Day breakfast this morning. What a fantastic morning at Rainbow Street with so many mums, grandmas, Nanas, aunties, significant others, and students attending. Big thanks to all our wonderful volunteers that made this morning's breakfast possible cooking and serving bacon/egg rolls, croissants, muffins, pastries and much, much more.

· Working Bee

Thank you everyone that volunteered a couple of hours last Sunday to give back to our wonderful school. Such a great turnout of parents, kids, and teachers despite the weather. We filled a whole skip bin this morning and covered many books but still have more to do. So don't worry if you missed out today as we will be another working bee soon.

· Second-hand uniform sale

Another sold out uniform sale last month and thank you to those that lent a hand this morning and everyone that donated uniforms. We raised \$800 from the sale and will hold another once we have more stock.

· Centenary Short Film Festival

The committee meet last month

· School playground development

Jo and I have met with 3 playground suppliers/installers on site since our last meeting Student input for the design has been provided to the vendors and we are expecting preliminary designs and costs back in the next couple of weeks.

Our AGM is fast approaching with no July meeting due to school holidays and only 3 more meetings before the AGM in December when all executive roles will be vacated, and new executives voted in. This is my last 3rd and last year as President with executive roles having a 3-year limit being held by the same person. I would also like a break and give someone else the opportunity. So, for those who wish to be actively involved in working with the school to deliver great outcomes for our wonderful school community.
